Work to be performed:

CONDITIONS OF REPAIR ORDER I hereby authorize the repair work to be done along with necessary materials and hereby grant you and/or your employees and agents permission to operate the aircraft or part herein described for the purpose of testing and/or inspection. I further agree to indemnify and hold you harmless from any and all claims, damages, loss or liability which may occur directly or indirectly from this work, testing and/or inspection, and I further agree that you will not be responsible for any loss or damage to any articles of personal property of any kind or character in case of loss by fire, theft, accident or other causes beyond your control. The labor and materials are ordered by me, for which I have authority to order, to be listed at your regular prices. I agree to pay cash when the work is completed or on terms satisfactory to you, and until paid, such obligation shall constitute a lien on the aircraft described hereon. Within three(3) days after notification that the work is completed, if the aircraft is not removed from the production floor by me, PSM shall place the aircraft in the storage located at FXE Airport and I will be charged the applicable daily rate for storage. I agree to pay legal interest upon any past due, delinquent account for the work provided for herein, as well as collection cost including Reasonable attorney's fees and I hereby waive all rights to claim exemption under any state laws.
